Commissioner:

The references cited on attached form PTO/SB/08A&B are being called to the attention of the Examiner. Copies of the references are not enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Applicants would like to bring the Examiner's attention (see Table A) to previously cited U.S. Patent Applications that have now published. In Table A, columns 1 and 2 list the previously cited U.S. Patent Application numbers and their filing dates. For each

application, column 3 lists the past filing date of an IDS citing the application. Columns 4 and 5 list the U.S. Publication numbers and their publication dates. Copies of these applications and their prosecution histories are available on PAIR and are believed to be readily accessible to the Examiner.

Table A

Applicants would like to bring to the Examiner's attention that previously cited U.S. Patent Application No. 11/828,246, filed July 25, 2007 (cited in the IDS dated November 8, 2007) has now issued as U.S. Patent No. 7,738,450 B1 on June 15, 2010. A copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

References AA, AD, and AE cited in this IDS were cited in an Office Action mailed on May 14, 2010 (cited in this IDS as reference 65-13_A) in commonly owned U.S. Patent Application No. 12/400,594. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

References AB, AC, and AK cited in this IDS were cited in an Office Action mailed on June 22, 2010 (cited in this IDS as reference 44-1_D) in commonly owned U.S. Patent Application No. 11/668,322. A copy of the Office Action is not included with this IDS since a

copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

References AF, AG, AI, and AJ cited in this IDS were cited in an Office Action mailed on June 14, 2010 (cited in this IDS as reference 39-3_B) in commonly owned U.S. Patent Application No. 11/953,745. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AH cited in this IDS was cited in an Office Action mailed on July 15, 2010 (cited in this IDS as reference 39-2_B) in commonly owned U.S. Patent Application No. 11/953,743. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 39-1_B cited in this IDS is an Office Action mailed on June 14, 2010 in commonly owned U.S. Patent Application No. 11/953,742. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 39-4_B cited in this IDS is an Office Action mailed on June 25, 2010 in commonly owned U.S. Patent Application No. 11/953,751. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 44-2_C cited in this IDS is a Notice of Allowance mailed on July 13, 2010 in commonly owned U.S. Patent Application No. 11/854,486. A copy of the Notice of

Allowance is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 52-1_B cited in this IDS is an Office Action mailed on August 2, 2010 in commonly owned U.S. Patent Application No. 12/198,697. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 66-11_A cited in this IDS is an Office Action mailed on June 10, 2010 in commonly owned U.S. Patent Application No. 12/070,893. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 73-1_C cited in this IDS is an Advisory Action mailed on May 25, 2010 in commonly owned U.S. Patent Application No. 11/615,769. A copy of the Advisory Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference 73-1_D cited in this IDS is a Notice of Allowance mailed on July 12, 2010 in commonly owned U.S. Patent Application No. 11/615,769. A copy of the Notice of Allowance is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

This IDS is being filed on or before payment of the issue fee.

CERTIFICATION

I hereby certify that no item of information contained in the Information Disclosure Statement filed herewith was cited in a communication from a foreign patent office in a counterpart foreign application, and, to my knowledge after making reasonable inquiry, no item of information contained in this Information Disclosure Statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this Information Disclosure Statement.

Please charge the IDS fee of \$180 to Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
